

18-20 APRIL 1975

TROPPE - TUR

Helga 18-20 april hadde troppen sin til speiderhytta i Bråsdalen.

Formålet med denne turen var å hard-
trene guttene foran St. Georgsløpet.

Guttene fortalte hva de selv kunne dårlig,
og Dionysos lærte villig fra seg alt de
kunne i de forskjellige speiderferdigheter.

Kvelden kom med leirbål i peiser og
guttene sang av hjertens lyst i flere
timer. Det kom også mange gode
programinslag for guttene også.

Etter leirbålet fikk patruljeførerene sette
oppe ved leirbålet sammen med lederene
og rovere, og mange gode historier
brillet ut av guttene den kvelden.

Alf-Erik Strubbe

LORET

The first part of the report is a general
 description of the area. It is situated in the
 north-western part of the county. The
 population is about 1000. The
 climate is temperate. The
 soil is fertile. The
 main crops are wheat and
 corn. There are also
 some small businesses.
 The school is well
 equipped. The
 church is active.
 The
 town is a pleasant
 place to live.
